Paul ... to Timothy ... and US

... (T)here is great gain in godliness combined with contentment; **for we brought nothing into the world, so that we can take nothing out of it; but if we have food and clothing, we will be content with these.**

Filthy lucre ... NOT

For the love of money is a root of all kinds of evil, and in their eagerness to be rich some have wandered away from the faith and pierced themselves with many pains.

God's Richness Shared

As for those who in the present age are rich, command them not to be haughty, or to set their hopes on the uncertainty of riches, but rather on God who richly provides us with everything for our enjoyment.

Life ... that really is ... LIFE

... (D)o good ... be rich in good works, generous, and ready to share, thus storing up for (our)selves the treasure of a good foundation for the future, so that (we) may take hold of the life that really is life.

Sharing ... Essential Faith in Action

Two options for action and service

- Rainbow Kitchen
- COTA Community Outreach Supper

VICTORIA RAINBOW KITCHEN

Located in Victoria West at the former St. Saviour's Anglican Church site, Rainbow Kitchen is a non profit society providing a place for people from all walks of life and circumstances to come and share a meal together. Although donations are gratefully accepted, noon time meals are free to anyone *without questions*. The Kitchen is open Monday through Friday all year around. Rainbow Kitchen is a place of faith.

Those who volunteer at the kitchen feel called to help in this way because of their individual faith or wish to be actively involved in helping to address a need in the Victoria community
